

Dear St. Paul School and Church,

We had a wonderful time at our Spring Fling Family Fun Night! The food trucks were delicious, the socializing was wonderful and the Auction was very successful! I think the hit of the night was the obstacle course for the children! Through your generosity and giving hearts, we raised \$21,411.00 before expenses. My sincerest thanks to everyone who donated their time, talents, and donations to make this Spring Fling such a wonderful evening!

I am especially grateful to Janet Dziekonski for chairing the event, and our other School Board members, Lisa Gustafson, Christel Ruppert and Cherisse Burnham for their untiring effort to bring us such a great event. I also want to thank all the Room Moms who worked so hard on the class projects and the Spring Fling committee who helped to bring in so many wonderful auction items.

I am also very grateful to Janine Scotti and so many of our church families for their help with running Family Fun Night. We couldn't have done it without you! I am so blessed by the continued support from Pastor Brad, Valisa, Bob Knapp and the members of the Executive Board of St. Paul Lutheran Church. We are all one family in Christ.

I continue to praise God for allowing me to work with such wonderful families, dedicated staff and a devoted church community.

In Jesus,

Donna Guerrero

Director
